FENDER Showmaster special body artwork edition

Latest addition to my **FENDER** guitar illustrations is this **Showmaster** with some unique body artwork. Illustration is available in my

[FENDER guitar gallery](#)

where you can see all my Fender illustrated guitars so far. My next guitar on which I'm working right now will be my first electric bass guitar illustration of RICKENBACKER 4003.

This guitar illustration is also available for buy as gallery print, greeting card, canvas print, photographic print, matted print, laminated print, framed print and LARGE POSTERS on my [A RTFLAKES.com](#)

,
[REDBUBBLE.com](#)

and

[CAFEPRESS.com](#)

online webshops.
