## Gibson Thunderbird IV 1976. bass guitar caricature

As a request from one of my forum threads where I post every new guitar caricature and illustration, I have illustrated this Gibson Thunderbird IV bass guitar caricature from 1976.

**Share this guitar caricature picture on social networks**

Please share this image over your facebook, tweeter or G+ profiles and help to spread a word about Cartoon Guitars. Also you can visit my [Cartoon Guitars facebook page profile](#) for this website, where I will regularly update on my current work progress or my next guitar caricature. There you can leave your thoughts, requests or images about what guitar illustration or caricature would you love to see next. If you want to see bigger size image of this caricature, please go to my [Gibson](#)

[Guitar Gallery](#)

where you can see bigger size file, and also all my caricatures and illustrations of Gibson guitars.
