IBANEZ RG350 Custom Guitar Illustration

IBANEZ RG350 Custom Edition cartoon guitar illustration. You can see larger picture in [Ibanez guitars gallery](#)

. As you can see from time to time I like to customize my old illustrations in a way of adding some cool background to a guitar body. I hope you will like this one.

Also check out for this guitar artwork on [CafePress t-shirt webshop](#) . Greetings to everyone and thanks for coming back to Cartoon-Guitars website.
